Re: Polanco v Halloran-Ruhle, et al.
Our File No.: 235-09778

Dear Magistrate Baxter:

In follow-up to Attorney Pickles' communication with your chambers, please accept the following as a request on behalf of all defendants that the above-referenced matter be marked dismissed due to the pending execution of a release by the plaintiff.

Although plaintiff's counsel has been provided with the release and settlement agreement by defendants, he has advised that he has not yet been able to have these documents executed and needs additional time. In light of this, should the Court grant defendants' request, defendants would consent to there being an ability by any party to re-open the matter within 60 days of this Court's Order should there be a need.

Thank you for your time and consideration of the defendants' joint request.

Respectfully submitted,

O'CONNOR ♦ FIRST
